ORDER

The Employer's Request for Review of the Acting Regional Director's Decision and Direction of Election is granted as it raises substantial issues warranting review solely with regard to whether the petitioned-for employees share a community-of-interest with employees in the bargaining unit. In all other respects, the request for review is denied.

Dated, Washington, D.C., October 11, 2016.

Chairman Mark Gaston Pearce, concurring in part and dissenting in part.

I would deny review, as I agree with the Acting Regional Director that the petitioned-for planners share a sufficient community of interest with the existing unit.
